

RENT TO A U.S. VETERAN!

Here are just a few great reasons why you should:

- The Local County pays Directly to the Property Owner
- Payments are **GUARANTEED** by the Government
- In most cases Rent is Higher than Local market for Veterans
- Veterans make Great Tenants because they are Honorably Discharged and are in good standing with the VA
- Veteran Administration Case Managers - provide critical support to Property Owners and Veterans when required
- The good feeling of Supporting our American Heroes

If you are interested in buying a property, or if you are interested renting to our US Veterans, please email or call for more information.
